# Imperial Conference To Get Down To Work

## ARDUOUS WEEK PROMISED AT OTTAWA MEET

Delegates Will Start to Find Formulas for New Trade Agreements

By GEORGE HAMILTON  
Canadian Press Staff Correspondent  
OTTAWA, July 25.—The Imperial Economic Conference embarks to-day on a week of strenuous work when, in committee and private discussion, they will begin the arduous task of finding formulas, of determining points of common agreement around which trade conventions may be drawn.

So far, neither Great Britain nor India has submitted any detailed scheme of reciprocal preferences. The British delegation has come fully prepared with the words of Rt. Hon. Stanley Baldwin, to clear out the channels of trade. Her new protective system permits her to widen the limited area of imperial preferences which has hitherto prevailed in Great Britain. Her difficulties, because of her worldwide trade interests, will be in giving effective preference to the nations products for which the producing dominions must desire preference.

## WHEAT HAS SMALL PART

From recent indications, wheat does not seem likely to play the dominant part in conference deliberations once once more possible. The Dominion wheat quota has virtually passed from the British scheme. Australia admits that she has been unable to formulate a realistic proposal for a preference on wheat in the British market. Large grain, however, is a subject of interest to the British preference on wheat on the tariff. The British wheat quota is a tariff preference on wheat on the tariff. ## MYRNAM HIT BY TWO-INCH HAIL

MYRNAM, July 25.—A wind, hail and rain storm, lasting over an hour, devastated crops in this district Saturday afternoon. Hail stones two inches in diameter, driven by a terrific wind, did 100 percent damage to many fields, and, in some places, to the extent of 100 percent. Scores of windows in the village surrounding district were broken. Torrential rains accompanied the storm, filled creeks and elevated into water. The storm caused a stop seven miles wide extending from Moreauville in the west to the east. The storm cut off the heart out of the richest farming district in north-eastern Alberta. The ruined crops promised to average thirty-five to forty bushels to the acre.

## Bessie Campbell is Bride Of Lieut. Bowen Saturday

Pretty Home Ceremony is of Interest in Musical and Sporting Circles—Bridgroom to Attend Dominion Rifle Meet

Of special interest in Edmonton's musical associates and in sport circles was the marriage which took place on Saturday night at Bessie Campbell, daughter of Mr. and Mrs. G. A. Campbell, to Lieutenant James Bowen, son of Colonel and Mrs. E. Bowen, of Edmonton. The bride is a talented and brilliant pianist and Lieutenant Bowen is a noted musician in military circles, is a noted Dominion Rifle shot.

The ceremony, performed by Rev. Dr. Hollingsworth, of Calgary, took place at the home of the bride's parents. Tall ballet standards of midnight blue tulle and pink and pale gladioli made an effective background and soft music played throughout gave an especial charm to the ceremony.

The bride, given in marriage by her father, wore a gown of white tulle and pink and pale gladioli. The groom wore a tuxedo. The ceremony was attended by a large number of guests.

During the signing of the register, the bride and groom were asked to read the vows.

The Picnic Season

"Maggie was called away by illness, and I'm terribly busy  
with some work just now, so last night we had a picnic  
surprisingly.

Oh, no, I don't think at all. Mrs. Resourful, rather  
enthusiastic. There are no dishes to wash afterward, and there's no  
kitchen and dining-room to tidy up. Besides, the out-of-door  
picnic is a picnic in itself. It is turned out with the aid of a big vacuum bottle, she had  
carried her small family a complete hot meal, including chops  
and potatoes, to be eaten out of doors.

Let's do it, I suggested. "You can take  
one course, and we'll take another."

"Next time we'll take very, very, and we won't find ourselves sharing  
a two-course, but a three-course meal at home. Mrs. Resourful,  
produced a delicious tomato juice cocktail from a vacuum bottle,  
which she had taken with her. Then followed roast spring chicken,  
already disemboweled for easier consumption, and from the other  
vacuum bottles there appeared a salad of potatoes, celery and  
chives, with lettuce leaves to serve in, and radishes and curls  
of celery to go with it, also home-made bread and butter  
and fresh strawberry sauce, while a padded Chinese tea basket offered its  
contents hot and steaming, and cream was carried along in a small  
vacuum bottle.

This is only one suggestion of many menus that might be similarly  
served and conclude even the most picnic day in holiday fashion,  
with paper containers, such as our husbands and sons after receiving  
serious things in them from the freezer of the butcher, and paper  
plates, cups and dishes, there need be little dish-washing after such  
a meal, and it surely is a refreshment to both body and spirit.

## LONDON RIDES FOUR WINNERS ON FINAL DAY

### Popular Jockey in Good Form on Saturday as Meet Winds Up

Jockey Johnny Longdon provided the highlight of Saturday's racing at the Exhibition Grounds track that wound up the Edmonton Exhibition Association's storied meet when he rode four winners and won second in the six races in which he was riding.

The popular jockey had a week of triumph that has not been repeated at a Western track for a long time and his work earned him round about of applause from the big crowd of turf fans on hand for "Get Away Day."

Robert J. Robb devoted the day to the long-distance handicap, but little chance of a sweep was captured by the jockey's ride. In the third position for a good part of the distance, he fought to the front and won the headline race of the day by a matter of one length over Delmonico. Van was third.

Mr. Robb's ride was immediately after the fourth race, when he broke the track record by four furlongs in a second in winning the feature and in 10.5. The former race was not by Summa's and in 11.1.

**FIRST RACE**—Alberta Lady started the form placers on the right foot for the day when she scored in the first race of the afternoon. She was the favorite and she won by a matter of one length over Delmonico. Van was third.

**SECOND RACE**—Nelson's second choice in the feature race home a minor in the second race, another "hot" finisher, by beating out Kip the Con.

Jockey Longdon got his way on top and kept it in front all the way to win by a length and a half.

Delmonico got away in second place and just kept it in front all the way, while Kip the Con did the same thing in the third position.

**THIRD RACE**—The segment of Hank Fraser's career that made him a name in the racing world was continued today when he won the third race of the afternoon by a matter of one length over Delmonico. Van was third.
